Visit www.rogers.com/nhl for blackout details. A Full Season's Pass subscription includes live access to all out-of-market games and all national English-language games, including all Stanley Cup® Playoffs games. Data consumption: approx. 1 MB/min. for use of audio streaming. **5.** Based on Rogers internal testing dated September 11, 2017, analyzing total amount of data used to view mobile-video content from the 30 content providers most often used by Rogers customers with Stream Saver vs. without. Customer-initiated service reduces available bandwidth while viewing select mobile video-streaming content, resulting in delivery of a lower-resolution video stream. Stream Saver may not be able to recognize all video content; unrecognized higher-resolution video will continue to stream at its normal speed and resolution. **6.** Offer available until June 30 2018; subject to change without notice. Offer not available for lines ported-in from Rogers, Fido, Chatr and Mobilitycity. Credit available to customers who port-in their line, purchase a new smartphone and activate (or add a new line to) on a Premium or Premium Plus tab Share Everything plan on 2 year term. Credit will appear on customer's second or third invoice, not redeemable for cash. ©2018 Rogers Communications Inc.
